

# Applied Theology/Pastoral Ministry Concentration

Revised July 21, 2010

Regent College recognizes the importance of assimilating scripture, theology and languages into the Christian lifestyle. The Applied Theology concentration (for MCS and ThM students) and Pastoral Ministry concentration (for MDiv students) are concerned with the personal application of faith as lived experience. Under the guidance of faculty members who have spent significant portions of their lives immersed in the practice of ministry, these concentrations provide the opportunity for the integration of theory and practice relevant to Christian service in the church, parachurch, mission, or society at large.

Concentration Coordinator: Ross Hastings (MCS/APPL & MDiv/Pastoral Min.) (on sabbatical Fall 2010)

Regular Faculty available to supervise in this area for 2010-2011: Ross Hastings, Paul Williams.

Other Approved Supervisors: Barbara Mutch (Carey), Paul Stevens.

See the *Academic Catalogue* for specific information regarding program and concentration requirements for the MCS, MDiv and ThM programs. Note that a concentration is required for the MCS and the ThM; it is optional for the MDiv. Also, since an MDiv degree is by itself considered to be a concentration in applied theology, a further concentration in APPL courses goes under the name Pastoral Ministry.
