

NOTES FOR FALL 2009 COURSES

(Updated June 30, 2009)

Most courses will be filled on a first come, first served basis. Note that since all courses have a limited capacity (whether due to classroom size or the nature of the course), students are strongly advised to **register early** to increase their chances of getting the courses they want. When registering in a course that has more than one section (e.g., Greek or Hebrew), students should indicate a second choice in case their first choice is full.

CREDIT VALUE: All courses are for 3 credit/audit hours only, unless otherwise indicated. Students who audit a variable credit course will register for the lowest number of credit hours for that course.

PREREQUISITES (Pre) & RECOMMENDED PREREQUISITES (REC): Students who lack a prerequisite (Pre) for a course will only be permitted to register for that course if they can provide the instructor's written permission. Students who lack a recommended prerequisite (Rec) will be permitted to register, but they should be prepared to do additional work in the course.

Note: Biblical Exegesis & Interpretation (BIBL 503) requires some knowledge of both Hebrew and Greek. These students may also audit the relevant half of LANG 500 in the Fall at a discounted audit rate of \$100, if they plan to take BIBL 503 in the Winter term.

LIMITED ENROLLMENT COURSES: The courses listed below are each required for a program and have a limited enrollment due to the nature of the course (seminars typically have a maximum of 12 students). **Students wanting to take any of these courses must register by the early registration deadline of August 21, 2009 and attach a *Limited Enrollment Course Request Form* (available at Student Services and on the College website) to their *Fall Registration Form*.** Class lists will be determined within two weeks after August 21st, and students who have registered by this date will be notified by email shortly thereafter.
