## Application for Parachurch Youth Organization Tuition Benefit

In order to be eligible for the Parachurch Youth Organization Tuition Benefit, students must be

- (i) full-time workers of an approved parachurch organization, and
- (ii) admitted to Regent College (i.e., have made formal application to the Admissions Office and have been accepted).

Note: This tuition benefit cannot be applied retroactively (e.g., for courses already taken). Students who receive this benefit, and their spouses, will not be eligible to receive any other Regent College tuition benefits or bursaries at the same time.

Eligible students may receive a 50% tuition benefit for 30 credit hours of Regent courses which are part of a DipCS, MCS or MDiv program. The tuition benefit is *not* available, however, for the following types of courses:

- (i) audio correspondence courses;
- (ii) courses offered off-campus;
- (iii) guided studies;
- (iv) courses offered with a limited enrollment; and
- (v) courses taken for audit.

The student must apply for the tuition benefit each term by submitting this application form, signed by the student's supervisor, together with a regular registration form and payment of applicable fees.
