PRIORITY ENROLLMENT COURSE REQUEST FORM

(Updated June 25, 2010)

1. To request a seminar (or other priority enrollment course as identified in the Timetable Notes), submit this form with your registration form **by the early registration deadline**. Submit a separate request form for each course that you are requesting.

2. You will be on a waitlist for the course until the early registration deadline, after which class lists will be set, with priority given to students who need the course to graduate from their programs and their anticipated graduation date.

3. Shortly after the early registration deadline, a Priority Enrollment Course List will be posted on the Registrar's Notice Board and on the Regent website.
