

# Program Change Form

This form may be use by students admitted to Regent for the 2005-2006 academic year or later. Previously admitted students should use the MCS or MDiv application forms for the second step in their admissions process, or they may notify the Registrar if they want to change their concentration.

Students admitted to the DipCS program may use this form to apply for admission to either the MCS or the MDiv program. Note that the grade point average required for admission to the MCS or MDiv program is 3.0.

Students admitted to the MCS or MDiv program may use this form

- (i) to change from the MCS to the MDiv or from the MDiv to the MCS;
- (ii) to indicate or to change their concentration; or
- (iii) to change from the MCS or MDiv program to the DipCS program.
