

WHO CAN TAKE COURSES AT REGENT Students with an accredited bachelor's degree may take courses for graduate credit or for audit. Those who have not yet been admitted to the College may take up to 6 credit hours of courses per term as unclassified students, up to a maximum of 12 credit hours overall, before needing to be admitted. Those who do not have an accredited bachelor's degree may take most courses for audit if they are at least 23 years of age, and may take courses for credit if they are at least 30 years of age.

HOW TO REGISTER Please remove the centre sheet from this booklet and complete the *Registration Form* to register for on-campus courses only. All students are strongly advised to register as early as possible to increase the chance of getting the courses they want. Several courses have limited enrollment due to the nature of their content, but all enrollment is limited by the capacity of the classrooms, and all courses will be filled on a first come, first served basis. Note that *Registration Forms* will begin to be processed mid-February.

Registration for INDS 525 *Technology, Wilderness and Creation* and INDS 535 *Food: Communion, Community and Creation* will open on February 3, 2010 and will require a special course registration form, made available on-line under Academic Info, Schedules and Forms, and in the Student Services Lobby starting on that date only. Both courses have a food and supply fee of \$400. Class lists will be confirmed by March 5, 2010, and students who have been admitted to the courses will then be required to complete and submit additional medical and liability release forms.

HOW TO COMPLETE THE REGISTRATION FORM

(Incomplete forms may delay registration.)

1. **Personal Information:** Please fill this section in completely. Personal information is collected pursuant to Regent College's Privacy Policy (available at www.regent-college.edu/policies/privacy). Our purpose in collecting personal information is to serve students in such areas as providing educational services (e.g., providing e-mail addresses to faculty and their teaching assistants (TAs) solely for course-related communication), processing financial transactions, facilitating student discounts with the University of British Columbia, generating statistical information for external bodies as required by law or our accrediting bodies, and maintaining relationships with alumni and former students. We will never collect or disseminate private information in an unlawful manner. Students with concerns regarding the personal information being requested should contact the Registrar.
2. Fill in the course number and title, and the number of credit or audit hours you are taking the course for. Note that **credit** means you will complete all assignments and will be graded; **audit** means you will attend the class for personal enrichment only and will not be graded. If auditing a course, you register for the least number of hours for which the course is offered.

3. Sign and date the registration form. By doing so, you will automatically be assigned a Regent Web Login, if you don't already have one. You will receive e-mail notification that your account has been activated approximately one week after your registration form has been processed.
4. **Tuition Discounts:** On the back of the *Registration Form* is an application for tuition discounts. Complete this if you wish to apply for any of the discounts described there.
5. Submit a completed registration form together with a \$100 deposit to Student Services. This deposit will be applied to the tuition of the last course that you are taking in the summer term. When you register, a \$35 non-refundable registration fee will be charged to your account.
6. Signed registration forms may be submitted by mail or in person. If the \$100 deposit is paid by credit card, you may also fax your form to us or scan it into an e-mail attachment to studentservices@regent-college.edu. Registration for a course must be received in our office before the first class of the course to avoid the \$50 late registration fee.
7. After your registration form has been processed, a registration statement will be mailed to you, showing a record of charges and the balance on your student account. Once registered, you are responsible for paying the tuition fees for a course before attending its first class. Students paying after this date will be assessed a \$50 late payment fee.
8. Students who wish to make changes to their registration may do so by submitting a *Summer Term Course Change Form*. Please refer to the course change and refund policies section of the *Student Contract* for further details (p.4).

STUDY PERMITS A study permit is not necessary for students whose course of studies lasts six months or less (e.g., if you are coming for summer term courses only). Students planning to stay longer than six months must obtain a study permit from Immigration Canada (current fee is \$125) in order to study at Regent College, whether for credit or audit. Citizens and Resident Aliens of the United States may obtain a study permit at a Canadian port of entry; all other international students must obtain one from the Canadian Consulate in their country of citizenship.

Upon registration, Regent will send all students from outside of Canada a letter of registration verification which they will need to present to the appropriate Canadian immigration authority in case they do need to secure a Study Permit. Please note: whether or not you need a Study Permit is at the discretion of the Immigration Officers. For further information, and to download study permit application packages, see the Government of Canada website www.cic.gc.ca.

FEES Payment of fees for each course is due before the first class session of the course. Fees may be paid by cash, cheque, money order, credit or debit card (Visa, MasterCard or Interac). Students are encouraged to pay early so as to avoid long line-ups and wait times. If paying by credit or debit card, please ensure that your credit limit or your daily withdrawal limit is sufficient to make your payment. Note that if the bank declines your payment, or if you give us an incorrect or illegible number, you may be charged a late payment fee. Students who have registered in a course but have not paid all the tuition for it by the first day of class will be charged a late payment fee of \$50.

1. **Graduated Credit Tuition Fees:** The tuition rate charged will depend on the total number of credits you are enrolled in during the summer term, according to the following schedule: 1–8.9 credits: \$490 per credit hour; 9–11.9 credits: \$460 per credit hour; 12 or more credits: \$425 per credit hour. Tuition rates will be recalculated at the appropriate rate when credits are added or dropped. The tuition discount applies to distance education, thesis, integrative project, and guided study credits registered within the summer term dates.
2. **Audit Tuition Fee:** \$280 per audit hour.
3. **Administrative Fees:** (non-refundable): \$35 registration fee; \$50 late registration/payment fee plus interest charged on any outstanding balance each month thereafter at a rate based on 8.5% per annum; \$10 course drop fee; \$25 failure to submit a course change in writing fee; \$20 dishonoured cheque fee.
4. **Summer U-Pass Fee:** \$107.

IF YOU ARE A RETURNING STUDENT who has paid student fees in either fall 2009 or winter 2010 and you register in a minimum of 3 credit and/or audit hours in spring or summer session, then you are eligible to sign up for the summer U-Pass by completing the *Summer 2010 U-Pass Registration Form* available on-line under Academic Info, Schedules and Forms.
