

# Theology Concentration

Revised October 14, 2009

Theology is the discipline in which we integrate various resources of God's revelation and human inquiry into as clear an understanding as we can reach of God and his world. Theology is thus the web by which we connect all our thinking as Christians, even as it serves the larger and higher purpose of loving God and serving the world he loves. The Theology concentration gives students the opportunity to explore both broadly and in depth the doctrines of the Christian faith.

Concentration Coordinator: John Stackhouse

Regular Faculty available to supervise in this area for 2009-2010: Hans Boersma, John Stackhouse

Other Approved Supervisors: Ross Hastings, Paul Helm, Jens Zimmerman

See the *Academic Catalogue* for specific information regarding program and concentration requirements for the MCS, MDiv and ThM programs. Note that a concentration is required for the MCS and the ThM; it is optional for the MDiv.
