

# Bring-a-Friend Benefit

## Application Form

### Summer 2026

**Attend a Summer course with a friend (or two) who's new to Regent, and you'll each receive 1/3 off your tuition for the course.**

To apply for this benefit:

1. Each individual must register for the course via REGIS and pay the \$80 due at the time of registration. (Note: If you're new to Regent, you may need to request a REGIS login to access our registration system. Visit [rgnt.net/registration](http://rgnt.net/registration) for instructions.)
2. Complete and sign the application form below.
3. Submit the completed form to [registration@regent-college.edu](mailto:registration@regent-college.edu) or drop it off at Regent's reception desk.
4. If your application is eligible, discounts will be applied to each person's student account.
5. Pay the remaining tuition for the course before the deadlines listed below. *To avoid a \$45 administrative fee, register and pay for your course before the Early Bird Deadline.*

## Deadlines

### Spring Session

The Early Bird Deadline for Spring courses (May 11–June 12) is **4:30 pm on Friday, May 8**. You are strongly encouraged to register for your course, submit this application form, and pay for your course before this date.

If you miss the Early Bird Deadline, you can still apply for this benefit until the Friday before your course begins. However, students registering or paying after May 8 will be subject to an additional \$45 administrative fee.

### Summer Session

The Early Bird Deadline for Summer courses (June 29–July 31) is **4:30 pm on Friday, June 26**. All Bring-a-Friend Benefit applications for Summer 2026 must be submitted before this date.

## Eligibility

1. The current student must have taken an onsite or dual-delivery Regent College course for credit or audit prior to Spring/Summer 2026. (Students who have only taken asynchronous courses are not eligible for this benefit.)

2. The student may apply for this benefit with either one or two friends.
3. The friend(s) must not have taken a Regent course before.
4. The current student and friend(s) must register for and attend the same course, but they do not have to take the course for the same number of credit or audit hours. (For example, the student might register for two credit hours while their friend registers for one audit hour.) Each person will receive 1/3 off their individual tuition for the course.
5. This offer cannot be combined with any other tuition benefit applied to the same course.
6. This benefit cannot be applied to asynchronous courses, guided studies, or offsite courses.

## Application
