PROGRAM CHANGE FORM

This form may be used by students admitted to Regent for the 2005-2006 academic year or later. Previously admitted students should use the MATS or MDiv application forms for the second step in their admissions process, or they may notify the Registrar if they want to change their concentration.

Students admitted to the GradDipCS program may use this form if they want to apply for admission to either the MATS or MDiv program. Note that a student is required to have 12 credits completed and a minimum grade point average of 3.0 in order to be admitted to the MATS or MDiv program. MDiv candidates may require approval from the MDiv Committee.

Students admitted to the MATS or MDiv program may use this form:

i. to change from the MATS to the MDiv or from the MDiv to the MATS;
ii. to indicate or to change their concentration; or,
iii. to change from the MATS or MDiv to the GradDipCS.

Note: If you wish to apply for admission to the MALTS program, please contact the program administrator at malts.administrator@regent-college.edu
