Most courses will be filled on a first-come, first-served basis. Note that since all courses have a limited capacity (whether due to classroom size or the nature of the course), students are strongly advised to register early to increase their chances of getting the courses they want. When registering in a course that has more than one section (e.g., Greek or Hebrew), students may indicate a second choice in case their first choice is full.

**CREDIT VALUE:** All courses are for 3 credit/audit hours only, unless otherwise indicated. Students who audit a variable-credit course will register for the lowest number of audit hours for that course.

**PREREQUISITES & RECOMMENDED COURSES:** Students lacking a prerequisite (Pre) will be permitted to register for that course only if they can provide the instructor’s written permission. Students lacking a recommended prior course (Rec) will be permitted to register, but they should be prepared to do additional work in the course.

For $100, you may also audit the relevant half of LANG 500 in the Fall.
